How to create the Tasting Plate

We select different cheeses, cured-meats to pair with our wine tasting flight. Please select from our listing which has a number of different cured meats, cheeses and condiments. The number of offerings will vary and differ according to availability and seasonal changes. You essentially create your own tasting plate.

So how does it work?

1. Select any 3 items from the list that shows the cured meats and cheese list. The next step is to select 3 condiments.

Meat & Cheese columns...

2. Select either of our wine-tasting flights available.

3. The next step is to sit back and enjoy the pairing of your tasting plate and the lovely Vinoscenti Wine flight you selected.
